

Advance Education at Los Rios

Steps to enrollment at Sacramento City College

Requirements:

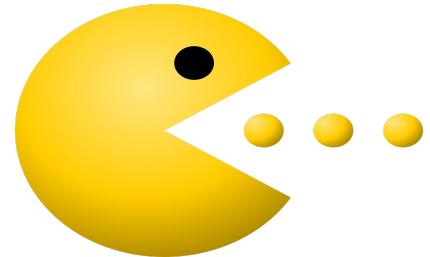

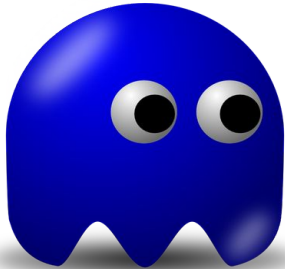

Advanced education students must meet the following criteria:

- **You are 16 or 17 years old or you have already completed 10th grade by the first day college classes start**
- **You are currently enrolled in high school (public, private, or home school)**
- **Your unweighted high school grade point average (GPA) is 2.7 or higher**
- **You must have permission from your parents and your school (Principal or Counselor) of attendance to participate**

Enrollment steps

- **Complete online application** <https://losrios.edu/admissions/get-started-and-apply>
- **Decide on courses to take** <https://losrios.edu/academics/search-class-schedules>
- **Complete the **New** Advanced Education (AE) form**
https://westcampus.scusd.edu/sites/main/files/file-attachments/ae_form.pdf?1587089974
- **Email completed Advanced Education form to your counselor along with your typed statement (see page 2 of the AE form for details)**
- **Check your eservices account to verify enrollment and pay the universal transportation fees (a few dollars per unit)**

- **This is the start of your college transcript, pursue courses that you can successfully manage**
- **Be aware of your personal time restrictions and don't overextend yourself**
- **Make yourself aware of the Los Rios add/drop, withdrawal period and policy**
- **Withdrawing or failing a course can potentially delay your financial aid in the future**
- **Plan to purchase textbooks and other school related materials in advance (expect delays in shipping at this time)**
- **If you have been waitlisted. Email your enrollment code to AdvancedEd@scc.losrios.edu**

Benefits

- **Tuition is waived (except for the universal transportation fee and class expenses) free college :)**
- **You will also earn high school credit for completed courses:**

1 college unit is equal to 3.33 high school credits, i.e when you pass POLS 301 (aka Government, a 3 unit class at SCC you will earn 10 H.S. credits. 5 of which will be applied to your government requirement and 5 will be applied to your elective requirements. The majority of community college classes qualify for an augmented (weighted) grade point

To receive high school credit submit your Los Rios transcript to Ms Nobida.
