| *Greetings Warriors!*

As we begin the 2024-2025 academic year with classroom celebrations and school-wide events including field trips, please take a moment to read this message.

This communication is to inform you that there are students on this campus who have food allergies listed below. A person with a serious food allergy can have a life-threatening reaction by eating or touching that food. To keep all students safe do not eat any foods containing the ingredients listed below while in the classroom or in other common areas where signs are posted.

Keeping students safe and healthy is our top priority. If you would like more information regarding our Wellness Policy please go to: [SCUSD Wellness Policy](#)

The list below reflects the allergens that may cause a severe reaction in one or more students on our campus:

1. *Peanuts*
2. *Tree Nuts*
3. *Soy*
4. *Sesame seeds*
5. *Fish*
6. *Shellfish*
7. *Eggs*
8. *Mango*
9. *Berries*

Thank you!
