

Welcome to West Campus High School, Home of the Warriors! West Campus has a rich and diverse history that provides a unique and unforgettable educational experience for all students. West Campus High school is recognized on a yearly basis as a college-preparatory high school serving academically motivated students. This past school year 86% of our graduating seniors were moving on to a four year colleges, with the other 15% moving on to junior college or the military.

In a newspaper article, Loretta Kalb stated, "West Campus High School regularly defies the odds." "Students are asked to complete rigorous courses to prepare for four-year colleges, strive for A's and B's, tow the line in dress and conduct, participate in extracurricular activities and support one another to prevent bullying. The aim, campus administrators said, is to have a college-like, safe atmosphere where each student takes ownership of life on campus and where parents are involved." For years, West Campus students have outperformed counterparts in the Sacramento Region. U.S. News & World Report in May 2015 ranked the school as the number 1 ranked high school in Northern California. On the most recent state test, California Assessment of Student Performance and Progress test, West Campus High School had the highest percentage of students meeting or exceeding standards on the English test with 95% and had a relatively high percentage on the Math portion with 73%.

West Campus High School has a diverse, involved student body. There are over 40 clubs to join and become a part of during your time at West. The West Campus Associated Student Body (ASB) holds a myriad of extracurricular activities for its Student Body. Every year ASB holds school-wide carnivals, pep rallies, a pancake breakfast, dances and food fairs. However, West Campus is renowned for its rallies where classes compete against one another in exhilarating week long competitions that culminate in a clash of the class colors. West Campus Student Body also holds many community outreach opportunities including but not limited to Blood Drives, canned food drives, pennies for patients, and many more.

The staff at West Campus High School are an extremely talented and committed staff that work to provide a safe, nurturing, and supportive school environment that fosters social and emotional well-being and encourages student participation and community service.

We continually work towards achieving excellence in a collaborative, motivating, and engaging environment dedicated to the success of all students. By working as a team which consists of our students, parents, and staff, we are able to ensure that all of our students are prepared for the rigors of higher education and beyond.
